INFORMATION FOR PARENTS AND STUDENTS

CCMTA desires to promote fairness to all students and teachers involved in our local competition. Therefore, in order to facilitate the mechanics of participation in the Cobb County Music Teachers Auditions, the following rules and guidelines are to be followed by all participants. Please read and detach lower portion with parent's signature and return to individual teachers.

- Students are required to check in at registration desk at least 20 minutes before performance time and must be outside judge's door 5 minutes before performance time.
- Students are encouraged to warm up at home, as practice rooms cannot be guaranteed available due to restricted numbers of rooms and a first come, first served policy. Even if a practice room is open, warm-up will be permitted only at monitor's discretion as time allows.
- It is the responsibility of the student to provide music for the judges with all measures numbered.
- Any student (including accompanists) who presents copies other than publishers' printed editions will be disqualified and will not be heard by the judges.
- Students must perform repertoire as listed on CCMTA Auditions application.
- The GMTA Audition Theory Exam (GATE) is required of each Pre-College audition entrant. The student must receive a passing score of 80% or higher to be eligible for Regional Auditions.
- All theory participants will use the Georgia Music Teachers Association theory structure, with difficulty levels of I, II, III, IV and V optional for each student/teacher. Since all tests will be graded at state Level, knowledge of winners at local level may be delayed one or two months.
- Winners are strongly encouraged to participate at the ANNUAL WINNERS RECEPTION on the Sunday following the auditions.
- Entrants allowed to proceed to region competition will be designated "Cobb County Winners" and will receive "Outstanding Performer" certificates and a medal. Additionally, the judges may designate "Award of Excellence" and "Honorable Mention" recipients, who will receive certificates. Students allowed to proceed to Region competition will be designated "Region Winners."

CCMTA HIGH SCHOOL SENIOR SCHOLARSHIP AWARD: A first prize of \$1,000 and a Second Prize of \$750 may be given at the discretion of the judge to declared music major students; awards will be sent to the colleges of their choice. The recipients of this award must meet the GMTA repertoire requirements and pass the GMTA Theory Exam, Level V, with a grade of 70% or better, and receive the "Outstanding Performer" award.
