Dear Parents:

Cobb County Music Teachers Association looks different this year as our Fall Festival will be held as a video submission competition. This event is being conducted virtually but continues to remain a valuable performance opportunity for your student.

Each student will perform two contrasting pieces (memorized or not memorized) to be performed for judges comments and rating. Your teacher can provide you with instructions to upload your video recording to a YouTube link as well as other important information.

Due to social distancing requirements only solo events will be held as we are not encouraging students to work together as an ensemble.

The fee to participate is \$15.00 (CCMTA Teacher Member rate). Registration deadline is October 1st and the YouTube link of your recording needs to be sent to your teacher by October 14th.

Hard copies of the rating sheets will be sent to your teacher as soon as possible after the judging on October 17th. Good luck to all and enjoy the recording process. This is a wonderful growth experience for all!
